

PARTICIPANTS NEEDED FOR A RESEARCH STUDY

THE JOURNEY FOR SURVIVORS OF CHILDHOOD BRAIN TUMOURS: FROM POST-TREATMENT INTO ADOLESCENCE AND ADULTHOOD

WHAT IS THE STUDY ABOUT?

- We want to learn about what it is like to live with and manage the late-effects associated with survival from childhood brain tumours.

WHO CAN PARTICIPATE?

- Survivors of childhood brain tumours (8 years old and up) and their families.

WHAT CAN YOU EXPECT?

- Survivors will participate in two interview sessions. They will also photograph meaningful places, people and things.
- Family members will also participate in an interview session.
- Families will receive a gift card for participation in the project.

Principal Researcher: Dr. Roberta Woodgate

College of Nursing, University of Manitoba
